

## LOYAL. TRUSTED. GENUINE.

As one of Florida's most respected traffic engineering and transportation planning firms, LTG prides itself on working not just for our clients, but with them, to create innovative engineering and progressive planning solutions to ensure successful outcomes for their projects. Our engineering, planning, technical, and administrative staff work as a team to provide both our public and private sector clients the quality, detail, and creativity needed to meet their goals and exceed their expectations.

**Study.**  
**Innovate.**
